

BELIEFS

1	We believe that	1
2	• Every schools should be a positive, safe, caring, and nurturing	2
3	environment where all persons are respected, and learning is the	3
4	number one priority.	4
5	• The achievement of a quality education requires a collaborative sharing	5
6	by students, families, community, and schools that promotes and	6
7	supports an education that is in the best interest of all students.	7
8	• The focus of our learning program should be to develop each student's	8
9	ability to communicate, think critically, and effectively work with others.	9
10	• Each student should leave our schools equipped with the necessary	10
11	skills to live and actively participate in a democratic as well as global	11
12	society.	12
