- Substitutes

Fort Dodge Schools offer a wide range of exciting job opportunities for individuals seeking to make a positive impact in education

Equal Opportunity Employer

Sports Physical Night is March 7 at Fort Dodge Senior High

All 7-12 grade athletes must have a current physical on file in the nurse's office prior to practice or competition in any school sport.

By having the sports physical completed each year at this event, it ensures that all of our athletes are able to participate without an expired physical. The event will be held at the Fort Dodge Senior High main gym locker rooms beginning at 5:30. The cost is \$15 cash or check made out to Fort Dodge Senior High.

Public Health will be holding an immunization clinic, offering the Tdap and meningitis vaccines, during sports physicals on March 7th in the high school cafeteria beginning at 5:15. Any Middle School or High School student can attend, even if they are not getting a sports physical. A permission slip will be required. These can be picked up in the nurse's office or on site at the clinic.

Reminder that all 7th grade students need a Tdap and meningitis vaccine and all current students over the age of 16 need a meningitis vaccine prior to entering 12th grade.
