

POLICY: 202.7

BOARD-SUPERINTENDENT RELATIONSHIP

The Superintendent is the Chief Executive Officer of the Board and is responsible for the leadership and skills necessary to translate the will of the Board into action.

The Superintendent shall be responsible for all aspects of District operations and for such duties and powers pertaining thereto as the Board may direct and delegate. The Superintendent may delegate responsibility and authority to other District personnel and shall develop the necessary procedures and regulations he/she considers essential to ensure efficient operation of the District.

The Board assumes that the Superintendent is professionally able and possesses outstanding qualities of leadership, vision, and administrative skill, and that he/she will implement all Board policies in good faith. In return, the Superintendent can assume that the Board will respect his/her professional competence and extend to him/her full responsibility and support for implementation of Board policy. In order for the Superintendent to use his/her effective leadership skill, the Board delegates to the Superintendent those powers which it considers advisable to do.
