

STUDENT/STAFF RELATIONSHIPS

Student/staff relationships shall provide a learning environment where all can create, support, and achieve success. Each student shall:

- (a) demonstrate learning as a priority,
- (b) respect the teacher's rights and responsibilities, and
- (c) always strive to do their best work.

Each student shall expect the staff to:

- (a) regard and respect students as individuals with rights,
- (b) serve as resource persons, aides, and guides in the learning processes
and not dictators or controllers,
- (c) provide a learning program that is appropriate for each student's capabilities, and
- (d) provide optimum learning opportunities, and (e) treat students with courtesy and consideration, refraining
from the use of insults and sarcasm.
