## STUDENT SOCIAL EVENTS

The Board supports student social events that assist students to learn how to enjoy gatherings of students that promote a healthy environment. School groups/classes may use a school facility to hold such events. A Building Principal must agree, prior to the event, that the event contributes to student growth and morale in order to approve the event. Proper chaperoning for the events shall be under the direction of the Principal in which the plans for the event originated. The Principal shall establish and enforce rules and regulations regarding student conduct at all school-sponsored social activities.
