INTERSCHOLASTIC ATHLETIC COMPETITION

Interscholastic athletic competition by District students is governed by the eligibility rules as specified by the Iowa High School Athletic Association and the Iowa Girls High School Athletic Union. The proper conduct by athletes is spelled out in the District's Student Activities (Policy 502.7) and School Discipline Policy (Policy 500.6). However, any student who was declared ineligible for such competition in another District under their "Good Conduct Rules" and without having completed the full period of ineligibility in that District transfers to the Fort Dodge District, he/she will not be eligible for interscholastic competition in our District until the full period of ineligibility has been completed. Once that period of ineligibility has been completed, the student is then immediately eligible for interscholastic competition.
