

POLICY: 602.20

#### LIVE ANIMALS IN DISTRICT FACILITIES

Live animals are not allowed in District facilities except for limited visits of short duration. Live animals are never allowed on a school bus. Limited visits shall have prior permission from a Building Administrator and will be for an educationally related purpose. The Building Administrator shall determine, when permission is granted, the appropriate supervision needed for the animal(s) and how long the animal(s) can be in District facilities.

This policy is not intended to address or limit the use of service animals, assistive animals, therapy animals or emotional support animals on district property.
