HIGH SCHOOL GRADUATION

Transfer students in good standing at their previous school must assume the requirements at Fort Dodge Senior High School effective at the time of their transfer. In order to receive a diploma from Fort Dodge Senior High, a student must complete a minimum of six credits of class work at FDSH. No limit has been placed on the number of credits that a student can earn from a department.

Students who have not successfully completed all requirements for graduation from FDSH, or have had disciplinary consequences, or outstanding fees/fines, will not be allowed to participate in graduation ceremonies.

Credits earned at an alternative educational program will be evaluated by the curriculum coordinator and the high school principal and only accepted if they meet with their approval. Evaluation considerations will be made based on documentation of student performance or achievement, resource materials and activities used in instruction.
