

PROCEDURE: 711.3

BUS SCHEDULE AND ROUTES

A bus schedule and designated routes shall be prepared and published prior to the first day of school by the Director of Transportation. The schedule and routes will be based on the student registrations received. Each bus rider will be assigned to a bus that will be accompanied with a specific pick-up/delivery location and an approximate pick-up time. The schedule and routes are established according to the safest and most economic manner.

Deviations from the schedule and routes must be approved by the Director of Operations or the Transportation Site manager. An appeal of a decision by the Director of Transportation may be made to the Superintendent.
