

POLICY: 711.1

SCHOOL TRANSPORTATION SYSTEM MANAGEMENT AND REGULATIONS

A school transportation system shall be provided. The system will be directed by a Director of Transportation. All school-owned vehicles (e.g., school buses, vans, maintenance vehicles and any over-the-road vehicles) shall be managed by the Director.

Purchase of new vehicles shall be done through the District's bidding process. Purchase of used vehicles will be according to Board guidelines. Recommendations for purchases shall be made by the Director of Transportation.

Transportation of students in school-owned vehicles (e.g., buses, vans, station wagons) shall be in compliance with and governed by statutory provisions, Department of Education regulations, and the rules and regulations approved by the Board.
