

POLICY: 800.6

## ASBESTOS-CONTAINING MATERIALS

Asbestos-containing materials located in District facilities, both friable and non-friable asbestos, shall be maintained in good condition. Appropriate precautions shall be followed when such materials are disturbed. If there is a need to replace asbestos it will be replaced with non-asbestos containing materials.

The District will adhere to and implement the rules of Asbestos Hazard Emergency Response Act (AHERA) and provide the necessary funding to implement the required response actions. The District will employ and appropriately train personnel as required in AHERA rules. In compliance with AHERA the district annually notifies parents and staff of completed jobs regarding schools with asbestos.

The Director of Buildings and Grounds or designee shall be the District's asbestos contact person. A copy of each building's asbestos management plan is located in the Administrative office.
