Board expectations for a fund-raising activity to be considered for approval are:

- The fund-raiser shall be to raise dollars for essential needs.
- The fund-raiser shall not be in conflict with the Board's policy on advertising. (Policy 906)
- There is accountability for dollars received and dollars expended.
- Student involvement shall be on a volunteer basis with no pressure to sell (e.g., direct or subtle).
- The Principal or his/her designee has, prior to Board consideration for approval, agreed to the fund-raising activity.

District requirements for a fund-raising activity are:

- The fund-raising activity is Board approved prior to its occurrence.
- The fund-raising activity has been completely described on the District's Fund-Raising form.
- The fund-raising activity has culminated in accurate completion of the District's Final Financial Report form.
- Minimal class time will be devoted to functions necessary to complete the fund-raising activity.
