IOWA DHS CHILD CARE ASSISTANCE:

We are currently in the process of being licensed under the Department of Human Services. Once we are licensed this fall, we will be accepting Iowa Child Care Assistance for qualifying families. You may speed up the process by applying at http://dhs.iowa.gov/child-care to see if you will qualify. However, you cannot put Dodger Academy as your primary provider until our licensing is completed. Families will be asked to pay the current sliding scale fee until the child care assistance begins. If you are denied, you will be asked to pay the full tuition, but may apply for a scholarship where a committee may approve you for a set amount.

You must show proof of approval or denial by DHS before applying for a scholarship.

Our current sliding scale is $30 if you receive free lunch and $60 if your rate is reduced.
