### **Educate Online Learning**

**Subject Areas:** Reading, Math  
**Grade Levels:** 5-12  
**Number of Students:** 2000  
**Service Area:** Statewide  
**Time of Service:** After school, weekends, summer  
**Teacher/Student Ratio:** 1:1-3  
**Cost:** \$65/hour  
**Program Description:** Educate Online has successfully served more than 60,000 SES students since 2002. On average, students who complete the math or reading programs gain a year's growth in academic skills. In the 11-12 school year, math students averaged 1.43 year's growth and reading students averaged 1.03 year's growth. Educate Online provides computers and/or internet access to any family who needs that to participate in the program. In a recent survey, 82% of students said their Educate Online work helps them do better in school, while 64% said their grades have improved and 88% of parents agreed.

**1 to 1 Tutoring**

**Subject Areas:** Reading, Math  
**Grade Levels:** K-12  
**Number of Students:** 450  
**Service Area:** Statewide  
**Time of Service:** Before/after school  
**Teacher/Student Ratio:** 1:04  
**Cost:** \$65/hr  
**Program Description:** 1 to 1 Tutoring provides one-on-one instruction in math or reading, for students from kindergarten through high school. Our curriculum uses a pre-test to identify areas where students need the most work, and then our tutors work with parents, teachers and the student to develop a plan for instruction. We aim to help students build skills and improve comprehension, so that ultimately they can succeed in their classes on their own.
