TAP students meet to brainstorm!

September 17, 2014

A TAP meeting was held on September 10th for all the TAP students so we could brainstorm about what events and tours we wanted to go on. We created a list for our TAP staff and they are currently working on setting up our tours and planning some fun events for us. They also served us cookies and doughnuts, which were very good.

Conferences on Tuesday, September 30th at the Senior High from 5-8 pm!

The TAP staff will have a table set up near the attendance office and will be available to speak with any parent/guardian/student. We hope to see you there!

Officer Webb and Officer Johnson were guest speakers for TAP on September 22nd!

Officer Webb and Officer Johnson spoke with the students about social media safety and what the risks are of posting too much personal information online. They will continue to meet with the TAP students periodically to present information about different topics. Excellent information was shared and the students overwhelmingly thought it was great.

Guest Speakers!

In addition to the tours we will be taking, we will also have guest speakers coming to speak on a variety of topics such as, social media safety and financial stability amongst others.

TAP Newsletter

What the four newsletter students have learned in TAP!

How to volunteer and communicate with other people we have never met before. To compromise with other people on the decisions we make.

Volunteer Opportunities

Tap students will be volunteering at the Marion Home on October 13th, November 10th, and December 8th to help/assist the residents with whatever they might need some extra help with.

Tours

The tours we will be taking will open our eyes to newer and brighter opportunities. We will get to learn about different businesses by actually going to see them instead of just being told about them. Some examples of places we are going to are: Iowa Central Community College, the Municipal building, Becker Florists, Community Orchard, and Larita's Cakes 'n More. Any student may attend the tours we will be setting up; however we encourage those students who have shown an interest in this area to participate.

Job Board!

On the south end of the 2nd floor at the Senior High on the west wall (near rooms 204, 205) we have placed a Job Board where we will post all available jobs that we are aware of. If further information is needed, please contact Mary Kenny or Kim Johnson in Room #67 or by phone at 515-955-1770.
